Roberts & Associates Fact Sheet

Firm Description

Roberts & Associates combines experience and an added level of expertise at the national level. This AV rated law firm concentrates in the representation of corporate and commercial interests in the transportation and insurance industries. The firm represents clients at all levels of the state and federal court systems. Corporate clients include railroads, steamship lines, trucking companies, freight forwarders (surface, air, and ocean), transportation brokers, and moving and storage companies. The firm's comprehensive experience in the field allows the firm to supervise and manage their clients' litigated matters both regionally and nationally. The firm's working familiarity with the industry, coupled with Lawrence Roberts' 20- plus years experience in the transportation and commercial litigation field, allows the firm to offer this service efficiently and cost effectively to their clients.

Lawrence Roberts, the founding principal and managing partner of the firm has tried cases in the Federal Courts of Florida, Texas, California, New York, Alabama, Georgia, and New Jersey, most notably in the areas of federal preemption of state law claims, limitations of liability, carrier salvage rights, and enforcement of timely claim filing requirements. He has approximately 15 published Federal decisions. Several were precedent setting cases, mainly in the motor carrier industry. The firm's clients include: American President Lines, Ltd., Estes Express Lines, FedEx Ground, Mayflower Transit, LLC, United Van Lines, LLC, and Vanliner Insurance Company.

Lawrence has lectured extensively to the transportation industry and professional groups. His last presentation was in Orlando in May 2004 at the Southern Motor Carriers Loss Prevention Conference Spring Meeting. In addition to lecturing, Lawrence is active in many industry and professional groups, including Transportation Lawyers Association, Association for Transportation Law, Logistics and Policy, Loss Prevention Conference of Southern Motor Carriers (President 1999-2000), Conference of Freight Counsel (Chairman 1994-1996), and Transportation Loss Prevention and Security Council.
